ANSWER: Defendant is without sufficient knowledge or information to form a belief as to the truth of paragraph 80's allegations and therefore denies the same.

81. In response, the bicycle officers began to aggressively jab at the individuals using their bicycles as battering rams.

ANSWER: Defendant admits Boyher and Karnowski were present and acting in a supervisory role. Defendant otherwise denies the allegations of paragraph 82.

83. Almost instantly and in unison, the other individuals in the kettle put their hands in the air as a sign of peaceful surrender.

ANSWER: Defendant denies paragraph 83's allegations.

ANSWER: Defendant admits that some persons subject to arrest complied with police directives while other persons did not. Defendant otherwise denies paragraph 84's allegations.

their identities. Defendant otherwise denies paragraph 88's allegations.

89. Others found paper masks on the ground or other objects in order to protect themselves as it became apparent that SLMPD was preparing to effectuate illegal and likely violent arrests.

ANSWER: Defendant denies paragraph 90's allegations.

91. At the same time, SLMPD officers screamed derogatory and homophobic epithets at individuals as they were being arrested.

ANSWER: Defendant denies paragraph 91's allegations.

92. These punitive measures were delivered without regard to the fact that the individuals were peaceful and compliant.

ANSWER: Defendant denies paragraph 92's allegations.

93. Defendant Rossomanno can be seen on video within arms-length of SLMPD officers who were pepper spraying and beating peaceful and compliant citizens. Rather than instructing these officers to cease violating the civil right of the citizens, Defendant Rossomanno took control of the situation and directed the officers' unlawful actions.

ANSWER: Defendant denies paragraph 93's allegations.

94. SLMPD officers used hard plastic zip ties to arrest all of the individuals. Over two months later, several continue to suffer from pain and numbness in their hands due to the tightness of the zip ties.

ANSWER: Defendant admits some plastic zip tie handcuffs were used in an

appropriate manner. Defendant otherwise denies paragraph 94's allegations.

95. Over 100 people were arrested that night.

ANSWER: Defendant admits paragraph 95's allegations.

96. During and after the arrests, SLMPD officers were observed high fiving each other, smoking celebratory cigars, taking selfies on their personal phones with arrestees against the arrestees will, and chanting "Whose Streets? Our Streets!"

ANSWER: Defendant admits some chanting occurred for which officers were later reprimanded. Defendant otherwise denies the allegations of paragraph 96.

97. That evening, the following celebratory picture was posted on Twitter by an anonymous person:

ANSWER: Defendant admits the photo was posted by an anonymous person.

Defendant otherwise denies the allegations of paragraph 97.

98. By the coordinated actions of the officers in circling the assembly into the kettle and the systematic disbursement of the chemical agents, it is clear that these tactics were planned and that senior officials of the SLMPD not only had notice of but actually sanctioned the conduct of Defendants.

ANSWER: Defendant denies paragraph 98's allegations

99. Defendants' actions did not occur randomly. Rather, Defendants decided beforehand that they would make an example of the arrestees in an attempt to scare other citizens from exercising their First Amendment rights to protest against the SLMPD's actions.

ANSWER: Defendant denies paragraph 99's allegations

100. The next day, the SLMPD Acting Chief reinforced the City's ratification of the Defendants' actions when he said, "I'm proud to say the city of St. Louis and the police owned the night," while standing next to Saint Louis Mayor Lyda Krewson.

ANSWER: Defendant denies paragraph 100's allegations

101. The day after the arrests, Mayor Krewson further validated the illegal actions of Defendants when she thanked the officers "for the outstanding job they have been doing over the last three days." She added that she fully supported the actions of the officers.

ANSWER: Defendant admits that St. Louis police properly enforced the law during the period in question. Defendant otherwise denies the allegations in paragraph 101.

102. On November 29, 2018, four SLMPD officers were indicted for their actions on September 17, 2017. Emails quoted in the indictment show that the officers were informed ahead of time that they would be deployed wearing military-like tactical dress to conceal their identities in order to beat protestors. This is exactly what occurred to Plaintiff, under the direct supervision and control of Defendants Leyshock, Boyher, Sachs, Jemerson, Karnowski, and Rossomanno.

ANSWER: Defendant admits certain officers have been indicted for unauthorized illegal activity. These officers are in the process of being disciplined. Defendant otherwise denies the allegations in paragraph 102.

103. When detaining individuals in custody who require medical care, the City of St. Louis and its SLMPD has established the following policy:

PRISONERS REQUIRING MEDICAL ATTENTION (72.6.1)

1. A medical emergency is defined as a condition which a reasonable person would expect a result in loss of life or function. Examples of medical emergencies include severe bleeding, fractures with displacement (bone out of alignment), loss of consciousness, non-responsiveness, and respiratory distress, severe chest pain or severe shortness of breath. This list is not all-inclusive. If you have any doubts, contact the on-duty nurse at the City Justice Center for guidance.
2. Should a prisoner require emergency medical attention, whether the injury or illness occurred during incarceration or not, an Emergency Medical Service (EMS) unit will be requested to respond to the holdover for medical evaluation and if necessary conveyance to the hospital. EMS will determine the destination hospital. An I/LEADS report will be prepared documenting all treatment received by the prisoner. If immediate first aid is administered by a Department employee or the paramedics, the injury and treatment will be noted in the Prisoner's Log Book by the booking clerk.
3. Should a prisoner require non-emergency medical attention, the on-duty nurse at the City Justice Center will be contacted for guidance.
4. The confidential relationship of doctor and patient extends to prisoner patients and their physician.
5. In the event a prisoner is injured while in custody or shortly before being taken into custody, the Watch Commander will arrange to have photographs taken of any and all visible injuries. The photographs will be treated as physical evidence. If practical, the photos should be taken both prior to the application of bandages, etc., and after the injury has received appropriate medical attention

PRISONER HEALTH SCREENING (72.6.3)

The following prisoner medical "receiving screening" information will be obtained and recorded on the Field Booking Form when prisoners are booked and verified upon their transfer to another facility or release:

1. Current health and medical history of the prisoner; (72.6.3.a)

2. Medication taken by the prisoner; (72.6.3.b)
3. Known medication/drug allergies;
4. Behavior, including state of consciousness and mental status; and (72.6.3.c)
5. Body deformities, trauma markings, bruises, lesions, jaundice (a yellowness of the skin and whites of the eyes), and ease of movement (72.6.3.d)

NOTE: a copy of the Field Booking Form **must** be attached to the computerized Arrest Register whenever a prisoner is transferred to the City Justice Center.

ANSWER: Defendant admits paragraph 103's allegations.

104. On information and belief, the SLMPD and City of St. Louis Correctional Staff failed and/or refused to follow this policy when they provided no medical care to any of the people illegally pepper sprayed or who.

ANSWER: Defendant denies paragraph 104's allegations.

105. Defendants' decision to ignore the policy constitutes a custom and practice of failing and/or refusing to follow this policy designed to protect the safety and wellbeing of injured individuals in police custody, showing a deliberate indifference by Defendants to the rights of Plaintiff and other injured detainees.

ANSWER: Defendant denies paragraph 105's allegations.

106. Despite this policy, at no time between their arrest and their release from the St. Louis City Justice Center did any police officer or other city official provide any arrestee with medical care or give anything to them to wash the chemical agents out of their eyes, off their bodies, or off their clothes.

ANSWER: Defendant denies paragraph 106's allegations.

107. Upon their release, all of the arrestees were given summonses showing that they had been charged with "failure to disperse." They were instructed to appear at St. Louis City Municipal Court on October 18, 2017.

ANSWER: Defendant is without sufficient knowledge or information to form a belief

as to the truth of paragraph 107's allegations and therefore denies the same

108. They were charged as such even though SLMPD officers provided no means of egress, denied repeated requests to be allowed to leave, and kettled the individuals.

ANSWER: Defendant denies paragraph 108's allegations.

109. In at least one case, a person was thrown from outside of the kettle into the kettle by SLMPD and was subsequently arrested for failure to disperse.

ANSWER: Defendant is without sufficient knowledge or information to form a belief as to the truth of paragraph 109's allegations and therefore denies the same.

110. The press release stated “[m]any of the demonstrators were peaceful, however after dark, the agitators outnumbered the peaceful demonstrators and the unruly crowd became a mob. Multiple businesses also sustained property damage and one officer suffered a serious injury.”

ANSWER: Defendant is without sufficient knowledge or information to form a belief as to the truth of paragraph 110's allegations and therefore denies the same.

111. Egregiously and in an attempt to further punish its victims, SLMPD publicly released the addresses of the arrestees.

ANSWER: Defendant denies paragraph 111's allegations.

112. The video evidence, as the federal court observed, “shows no credible threat of force or violence to officers or property in this mixed commercial and residential area” – much less a mob. SLMPD also fails to mention that the “one officer who suffered a serious injury” was an undercover officer who was pepper sprayed and beaten by SLMPD.

ANSWER: Defendant denies paragraph 112's allegations.

113. SLMPD used its Twitter account to disseminate this false statement to its approximately 70,000 followers. SLMPD subsequently deleted the tweet.

ANSWER: Defendant denies paragraph 113's allegations.

114. During a preliminary injunction hearing, attorneys representing the City stated that it was the policy of the City of St. Louis that once property damage occurs, SLMPD is justified in declaring an unlawful assembly and then deploying chemical agents regardless of the proximity of the target individuals in time or space to the property damage and regardless of if the people were engaged in criminal activity. According to the City, officers are justified to use chemical agents or beat and arrest anybody merely for being close to the area, even hours after the criminal activity has occurred.

ANSWER: Defendant denies paragraph 114's allegations.

115. On October 13, 2017, the St. Louis City Counselor's office issued a letter stating "[a]s of today, the City Counselor is still reviewing the evidence against you in order to decide whether or not to file charges and it is not anticipated that this decision will be made prior to October 18, 2017. Therefore, you are released from any obligation to appear in Municipal Court on October 18, 2017, in connection with the offense being considered. After a review of the matter is completed, should a decision be made to file charges against you, you will be notified by mail of that decision and advised when and where to appear to defend against those charges." See Exh. H.

ANSWER: Defendant admits that Exhibit H is quoted in part in paragraph 115. Defendant otherwise denies paragraph 115's allegations.

116. On November 15, 2017, a judge in this District barred SLMPD from using many of the tactics described in this complaint. See Exh. I, Memorandum and Order of Preliminary Injunction, *Ahmad v. St. Louis*, No. 4:17-cv-02455 (E.D. Mo. Nov. 15, 2017).

ANSWER: Defendant admits that an order was entered as reflected in Exhibit I. Defendant otherwise denies paragraph 116's allegations.

117. The Court found that “[p]rotest activity began shortly after the announcement of the verdict on the morning of September 15, 2017. Protesters assembled in front of the state courthouse downtown near Tucker and Market streets. They did not have a permit to protest because the City of St. Louis does not require, and will not provide, a permit for protests.” *Id.* at 2.

ANSWER: Defendant admits that Exhibit I is quoted in part in paragraph 117, but Defendant denies all other allegations and conclusions of paragraph 117.

118. The Court found that on September 17, 2017, there was some property damage downtown but Defendant Sachs “testified that he was unaware of any property damage occurring in the downtown area after 8:30 PM”. *Id.* at 9.

ANSWER: Defendant admit that Exhibit I is quoted in part in paragraph 118. Defendant otherwise denies paragraph 118’s allegations.

119. The Court found that Defendant Rossomanno gave a dispersal order before 10:00 PM but that “this order did not specify how far protesters had to go to comply with the directive to leave the area.” *Id.* at 8. The Court noted that Defendant Sachs “could not say ‘exactly how far would be enough’ to comply with this, or any, dispersal order.” *Id.* at 8-9.

ANSWER: Defendant admits that Exhibit I is quoted in part in paragraph 119. Defendant otherwise denies paragraph 119’s allegations.

120. The Court found that Defendant Sachs “testified that around 10:00 PM the decision was made to make a mass arrest of people remaining in the area of Tucker and Washington, which is three or four blocks away from where the earlier dispersal order was given.” *Id.* at 9. Yet, SLMPD continued to “freely allowed people ingress into the area after the initial dispersal order was given.” *Id.* at 11.

ANSWER: Defendant admits that Exhibit I is quoted in part in paragraph 120.

Defendant otherwise denies paragraph 120's allegations.

121. The Court found that at approximately 11:30 PM SLMPD began a mass arrest of everyone in the vicinity even though video evidence presented to the Court “does not shows a large crowd congregating in the streets” and “(n)o violent activity by protesters can be observed on the video.” *Id.* at 10. In fact, the “scene appears calm and most people appear relaxed.” *Id.* at 10-11. The only signs of disobedience seen on the video are “four to five individuals” sitting on Tucker Avenue, which was closed, and a small group of people yelling at the police. *Id.* at 10.

ANSWER: Defendant admits that Exhibit I is quoted in part in paragraph 121.

Defendant otherwise denies paragraph 121's allegations.

122. The video was taken from approximately 10:45 PM to the time of the arrests at 11:30 PM *Id.* at 12. The Court found that no audible warning could be heard on the video. *Id.*

ANSWER: Defendant admits that the District Court entered an order as reflected in Exhibit I. Defendant otherwise denies paragraph 122's allegations.

123. The video “shows an unidentified officer walking around with a hand-held fogger shooting pepper spray at the arrestees, who all appear to be on the ground and complying with police commands. This officer issues no verbal commands to any arrestee, and no arrestee on the video appears to be resisting arrest. The video shows other officers shouting at people on the ground and making threatening gestures at them with mace. An unidentified (person) lying face down on the ground is picked up by his feet by two officers and dragged across the pavement.” *Id.* at 15-16.

ANSWER: Defendant admits that Exhibit I is quoted in part in paragraph 123.

Defendant otherwise denies paragraph 123's allegations.

124. In an attempt to defend the SLMPD's actions, the City's attorney "stated during closing arguments that 'the police have the right to tell people, at this point, we're done for the evening; there's no – no more assembling; this assembly is over.'" *Id.* at 37. Not surprisingly, the Court did not adopt this rationale as a basis for the arrests and the use of chemical agents.

ANSWER: Defendant admits that Exhibit I is quoted in part in paragraph 124, but Defendant denies all other allegations and conclusions of paragraph 124.

125. The Court made the following findings:

a. Plaintiffs are likely to prevail on the merits of their claims that the policies or customs of defendant discussed below violate the constitutional rights of plaintiffs. *Id.* at 35-36.

b. Plaintiffs have presented sufficient evidence demonstrating that they are likely to prevail on their claim that defendant's custom or policy is to permit any officer to declare an unlawful assembly in the absence of the force or violence requirement of St. Louis City Ordinance 17.16.275 and Mo. Rev. Stat. § 574.060, in violation of plaintiffs' First and Fourth Amendment rights. *Id.* at 36.

c. Plaintiffs' evidence of the activities in the Washington and Tucker intersection on September 17, 2017, **shows no credible threat of force or violence to officers or property in this mixed commercial and residential area.** *Id.* at 37. (Emphasis added).

d. Plaintiffs have presented sufficient evidence for purposes of awarding preliminary injunctive relief that defendant's custom or policy of committing discretionary authority to police officers to declare unlawful assemblies in the absence of any threat of force or violent activity provides no notice to citizens of what conduct

is unlawful, and it permits officers to arbitrarily declare “there’s no more assembling.” *Id.* at 37-38. Plaintiffs have presented sufficient evidence at this stage of the proceedings that this discretion was in fact exercised in such a manner in violation of plaintiffs’ constitutional rights. *Id.*

e. Similarly, Plaintiffs have presented sufficient evidence demonstrating that they are likely to prevail on their claim that defendant’s custom or policy is to permit officers to issue vague dispersal orders to protesters exercising their first amendment rights in an arbitrary and retaliatory way and then to enforce those dispersal orders without sufficient notice and opportunity to comply before being subjected to uses of force or arrest, in violation of Plaintiffs’ First and Fourth Amendment rights. *Id.* at 39.

f. Plaintiffs presented sufficient, credible evidence for purposes of awarding preliminary injunctive relief that defendant has a custom or policy, in the absence of exigent circumstances, of issuing dispersal orders to citizens engaged in expressive activity critical of police which are either too remote in time and/or too vaguely worded to provide citizens with sufficient notice and a reasonable opportunity to comply, inaudible and/or not repeated with sufficient frequency and/or by a sufficient number of officers to provide citizens with sufficient notice and a reasonable opportunity to comply, contradictory and inconsistent, not uniformly enforced, and retaliatory. *Id.* at 40.

g. Plaintiffs have also presented sufficient evidence demonstrating that they are likely to prevail on their claim that defendant has a custom or policy of using chemical agents without warning on citizens engaged in expressive activity that is critical of police or who are recording police in retaliation for the exercise of their first

amendment rights, in violation of the First, Fourth, and Fourteenth Amendments. *Id.* at 41.

h. Plaintiffs have presented sufficient, credible testimony and video evidence from numerous witnesses that they were maced without warning in the absence of exigent circumstances while they were not engaging in violent activity and either were not in defiance of police commands (because none were given) or were complying with those commands. *Id.* at 42.

i. The City's custom or policy of authorizing the use of hand-held mace against non-violent protesters with no warning or opportunity to comply and in the absence of probable cause or exigent circumstances impermissibly circumvents the protections afforded by the *Templeton* settlement agreement and vests individual officers with unfettered discretion to exercise that authority in an arbitrary and retaliatory manner in violation of constitutional rights. *Id.* at 43-44.

j. Plaintiffs' evidence — both video and testimony — shows that officers have exercised their discretion in an arbitrary and retaliatory fashion to punish protesters for voicing criticism of police or recording police conduct. When all of the evidence is considered, plaintiffs have met their burden of showing that they are likely to succeed on their claim that defendant has a custom or policy of deploying hand held pepper spray against citizens engaged in recording police or in expressive activity critical of police in retaliation for the exercise of their first amendment rights, in violation of the First, Fourth, and Fourteenth Amendments. *Id.* at 44.

k. Plaintiffs have also presented sufficient evidence at this preliminary stage of the proceedings that the aforementioned customs or policies of defendant caused the violations of plaintiff's constitutional rights. *Id.* at 44. That is because "it

is well-settled law that a loss of First Amendment freedoms, for even minimal periods of time, unquestionably constitutes irreparable injury” and “it is always in the public interest to protect constitutional rights.” *Phelps-Roper v. Nixon*, 545 F.3d 685, 691 (8th Cir. 2008) (internal quotation marks and citations omitted), overruled on other grounds, *Phelps-Roper v. City of Manchester, Mo.*, 697 F.3d 678 (2012). *Id.* at 44-45.

Upon information and belief, senior officials of the SLMPD, including Defendants Leyshock, Boyher, Sachs, Jemerson, Karnowski, and Rossomanno, were directing such actions and conduct and/or tacitly accepting and encouraging such conduct by not preventing officers from engaging in such conduct and by not disciplining them when they did engage in such actions and conduct.

- 1. Further answering, Defendant states that Plaintiff's Second Amended Complaint fails to state a claim upon which relief can be granted in each and every count**
- 2. Further answering, Defendant states that all actions of the individual Defendant officers with regard to Plaintiff were taken on the basis of probable cause or arguable probable cause to believe that Plaintiff was violating ordinances or statutes, that Defendants reasonably believed that said defendants' actions were lawful, that no act of Defendants violated any clearly established constitutional right of Plaintiff, and so the individual Defendants are immune from liability by reason of the doctrine of qualified**

immunity. Because the individual Defendants herein committed no constitutional tort, Defendant City of St. Louis is not liable to Plaintiff on any theory.

3. Further answering, Defendant states that Plaintiff failed to mitigate his damages by failing to disperse as requested by officers of the law and by failing promptly to seek medical attention or treatment for claimed injuries.

4. Further answering, Defendant states that all state law claims asserted against any defendant in an individual or official capacity are barred by sovereign immunity or by official immunity in that the individual defendants herein, in taking any actions with regard to Plaintiff were exercising discretion in the performance of official duties in preserving public order and arresting persons reasonably believed to be violating valid ordinances or statutes.

5. Further answering, Defendant states that all state law claims asserted against any defendant in an individual or official capacity are barred because, at the time of each Plaintiff's alleged injury, each individual defendant was performing a public duty in responding to an unlawful assembly and other unlawful acts of numerous persons so as to preserve public order and the rights of the public in general.

6. Further answering, Defendant states that liability, if any, to Plaintiff cannot be joint and several, and damages, if any, can be awarded against any defendant solely based on that individual defendant's conduct directly causing such damages.

7. Further answering, Defendant states that any use of force by the individual defendants herein against Plaintiff was privileged because the force was used reasonably applied (a) in order to overcome unlawful resistance to or interference with an arrest, which Plaintiff knew was occurring, (b) in self-defense by the individual defendants,

against whom Plaintiff used or threatened to use force to prevent defendants from arresting another person or persons, (c) in defense of third persons, namely other officers at the scene of Plaintiff's arrest, against whom Plaintiff was using or threatening the use of force, or (d) as otherwise authorized by Missouri law, including but not limited to §563.021 and §563.046, RSMo.

8. Further answering, Defendant states that the injuries suffered by Plaintiff, if any, were of such a nature as can be remedied by existing remedies under the law of Missouri, which state law remedies are sufficient post-deprivation remedies so that Plaintiff was not and is not deprived of any liberty or property interest without due process of law as prescribed by the Fourteenth Amendment by reason of the acts or conduct of Defendants.

9. Further answering, Defendant states that, with respect to any negligent count asserted by Plaintiff, if Plaintiff suffered any injury by reason of any negligent action of Defendants--which Defendants deny--then and in that event fault must be apportioned to Plaintiff by reason of Plaintiff's negligence or assumption of risk in that Plaintiff chose to encounter the known risk of injury to himself arising from the alleged breach of duty by defendants.

10. Further answering, the state law claims against Defendant City of St. Louis are barred by sovereign immunity.

11. Defendant incorporates each and every additional affirmative defense that may be uncovered or made known during the investigation and discovery of this case. Defendant specifically reserves the right to amend this Answer to include additional affirmative defenses at a later time.

WHEREFORE, having fully answered, Defendant respectfully request that this

Court dismiss this case, with prejudice, and for any other such relief as this Court deems proper.

Respectfully submitted,
JULIAN L. BUSH
